

# SOLIDEAL ECOMATIC

## RESILIENT SOLIDS

BEFORE  
and AFTER

### Bead Wires

### Solid Design

- Solideal Resilient Solid Tyres give you the best value for your money

### Hi-tech Steel Bead wires

- stop the tyre from slipping on the rim

### Tread Pattern

- The deep lug tread pattern gives greater traction and a bigger footprint for better performance

### Superior Natural Rubber Compounds

- Good performance and a longlasting tyre life
